*The "For Credit" cost in the form includes

- The CD or in DVD as indicated
- Notes from the professor that can be printed out
- Access to the professor
- Course credit at CTH with a record of your final grade

With the "Audit" option, you receive the same CD or DVD and notes that can be printed out, but no credit and no access to the professor. The "CD Player" option (available only for the *Old Testament Prophets* course) **costs extra**. With it, you will actually have both the CD for the computer and the CDs for your player.

Note: Anyone may audit courses without being enrolled as a student. For information on taking courses for credit, refer to the CTH website (www.cranmerhouse.org).

****Pricing**

For each course, you will pay either the "Credit" price or the "Audit" price, not both. If you want the CDs to play on a CD Player, choose that option, and add \$100 to the price.
